# Roundup

Roundup

- 1 3/4 cups white sugar
- 1/4 cup dark corn syrup
- 1/4 cup butter
- 1 tablespoon cold water
- 2 teaspoons cornstarch
- 3 eggs
- 1/4 teaspoon salt
- 1 teaspoon vanilla extract
- 1 1/4 cups chopped pecans
- 1 (9 inch) unbaked pie shell

Preheat oven to 350 degrees F

In a medium saucepan, combine the sugar, corn syrup, butter, water, and cornstarch. Bring to a full boil, and remove from heat.

In a large bowl, beat eggs until frothy. Gradually beat in cooked syrup mixture. Stir in salt, vanilla, and pecans. Pour into pie shell.

Bake in preheated oven for 45 to 50 minutes, or until filling is set.

According to the Washington Post exposure to glyphosate, a chemical used in Roundup, can increase the risk of cancer by 40 percent. The use of Roundup has been linked with Non-Hodgkin Lymphoma.

Monsanto the makers of Roundup knew for years that there was a relation with their product and cancer. They failed to let the public know and kept advertising the product to unsuspecting consumers.

Please contact our office at (601) 845-9273 if you, or someone you know, have developed cancer from exposure to Roundup.

We love hearing from you. Drop us a Google or Facebook review.
